Parade Regulations

Please read carefully and keep this information:

- Please inform the parade committee of your intent to enter as soon as possible so the committee can determine parade order and number of entries. We will accept any late entry. You will be given a number as soon as your participation is confirmed. Please clearly illuminate this number on your float.
- Pick up registration information on the day of the parade on the corner of 300 South Main by the Credit Union. You will be required to sign a state waver form at this time and must be signed by an adult associated with your entry.
- Please be in place by no later than 5:45 p.m. as we will start the parade around 6:15. The parade goes from 300 South to 600 North around the City Park. We will be lining up on Main Street again this year. It will be easier if you come in from 500 South to get into your space from there.
- The main requirement of the Christmas Light Parade is to creatively incorporate lights into the entry. The theme for this year is "My Favorite Things at Christmas Time". Please clearly light your parade number and name of entry so that the viewers are able to vote for you. Prizes will be given to the entries which best follow the theme and voter favorites. Prizes this year are as follows: Grand Prize, 1st, 2nd, 3rd, & 4th place. No Honorable Mentions will be handed out this year.
- Due to darkness and unforeseeable road conditions, throwing or handing out of candy and other items from the vehicle is prohibited. You may walk the parade route handing out items prior to the parade. Please be mindful of the safety of participants along the parade route and your own safety.
- The Parade Committee reserves the right to refuse any inappropriate entries and to remove entries from the parade route which do not comply with safety regulations. Drug and alcohol use is prohibited and will result in removal from the parade.
